Course Details - SIS20115 Certificate II in Sport and Recreation (Henley High School)

WASSN Title
Certificate II in Sport and Recreation

Qualification
SIS20115 Certificate II in Sport and Recreation

RTO
Foundation Education (National Code 22557)

Host Organisation
Henley High School

Course Length
2 semesters (1 year)

Course Description
This program is for students who wish to experience working within a specialist area of coaching, officiating and event management in the sport and recreation industry. Students engage in both individual and collaborative projects at school in a simulated industry environment and/or the community, involving coordination of an event for a particular cohort and/or occasion.

Students gain theoretical and logistical skills and knowledge in the areas of organising games or competitions, or participating in some form of outdoor recreation. Skills and knowledge developed include general administration, maintaining sport and recreation equipment and facilities; and promoting products and services to clients.

Pathways
Completion of this qualification provides a pathway to:
- Entry level employment
- Articulation with other VET qualifications in areas such as sport coaching and sport officiating and administration
- Sport and recreation traineeships

Related areas of further education and training are:
- Bachelor of Applied Science (Recreation Planning and Management)
- Bachelor of Business (Recreation Management)
- Bachelor of Human Movement

Entry Requirements
An interest in the sport and recreation industry.
